

## **Title: Environmental Policy**

Protech Performance Plastics Ltd is engaged in activities relating to the manufacture of plastic products at its headquarters in Cork. The organization recognizes its responsibilities to its staff, shareholders, customers and the general public and is committed to the continual improvement of the operating environment of its facilities. To this end it will maintain a documented Environmental Management System which conforms to: ISO 14001:2004 and will take into account all regulatory and legislative requirements pertinent to its sector, local operating environment and customer requirements.

### **The organisation's objectives include the following:**

- Communicating its policies both internally and externally (customers, contractors and main suppliers) as appropriate
- Commitment to continual improvement in environmental & business performance
- Using the input of staff, customers, shareholders, government, local authorities, interested third parties and the general public
- Awareness and training on environmental issues
- Creating a better environment for all, through the reduction, recycling and reuse of waste, the optimum usage of resources and the elimination of polluting releases to the environment
- Compliance with all pertinent applicable regulations, legislation and licences
- Prevention of pollution
- Processing of 'product' in a safe and safe environment to customer specifications and requirements

The above policy is supported by the management and directors of Protech Performance Plastics Ltd who shall commit the necessary resources in ensuring that the objectives and targets can be achieved. Appropriate programmes are set up to achieve our objectives and will be reviewed at the management review.
